# POUND CIVIL JUSTICE INSTITUTE

## About the Pound Civil Justice Institute

The Pound Institute is a legal think tank, supported by member Fellows, dedicated to the cause of promoting access to the civil justice system through its programs and publications. Since 1956, the Institute has promoted open, ongoing dialogue among the academic, judicial, and legal communities on issues critical to protecting the right to trial by jury. In an effort to bring positive changes to American jurisprudence, Pound promotes and organizes:

**Annual Forum for State Appellate Court Judges**—Since 1992, Pound's annual Judges Forum has brought together state appellate judges, legal scholars, attorneys, and policymakers to discuss major issues affecting the U.S. civil justice system. Lauded by attending judges as "one of the best seminars available to jurists in the country," the Forum is unique in its mission to educate state judiciaries on the role of the U.S. civil justice system in protecting citizens' rights. Our 2019 Forum, "Aggregate Litigation in State Courts: Preserving Vital Mechanisms," took place on July 28 in San Diego.

**Academic Symposia**—The Institute holds periodic Academic Symposia in conjunction with law schools in an effort to produce new empirical research supportive of the civil justice system. The academic papers prepared for the symposia are published in the co-sponsoring law schools' Law Reviews. Recent symposia include The "War" on the Civil Justice System (Emory Law 2015); The Demise of the Grand Bargain (Rutgers and Northeastern 2016); The Jury Trial And Remedy Guarantees (Oregon Law Review, Oregon Jury Project 2017); Class Actions, Mass Torts and MDLs: The Next 50 Years (Lewis & Clark 2019).

**Appellate Advocacy Award**—This award recognizes excellence in appellate advocacy in America, and is given to legal practitioners who have been instrumental in securing a final appellate court decision with significant impact on the right to trial by jury, public health and safety, consumer rights, civil rights, and access to civil justice.

**Civil Justice Scholarship Award**— This award for legal academics recognizes current scholarly research and writing focused on the U.S. civil justice system, including access to and the benefits of the civil justice system, and the right to trial by jury in civil cases.

**Howard Twiggs Memorial Lecture on Legal Professionalism**—Founded in 2010 to honor former Pound President Howard Twiggs, this annual lecture series, held during the AAJ Annual Convention, educates attorneys on ethics and professionalism. These lectures are delivered by prominent attorneys, law professors and jurists, and qualify for ethics and professionalism CLE credit.

**Papers of the Pound Institute**—Pound has an expansive library of research resulting from its Judges Forums, research grants, Academic Symposia, Warren Conferences, Roundtable discussions, and other sources. This research, Papers of the Pound Civil Justice Institute, is available via Pound's website. Pound Fellows receive complimentary copies of Pound's publications.

**Alliance with Academics** —The Institute has developed strong relationships within the legal academic community. Currently, 59 **Academic Fellows** keep Pound abreast of emerging legal trends.

**Pound Fellows**—Attorneys who care about preserving the civil justice system are invited to join Pound's important dialogue with judges and legal academics by becoming a Pound Fellow. We offer several affordable, tax-deductible membership levels, with monthly options available.
